### 730-Y RANGE

The 730-Y is the **bigger range**, with higher payloads, and it is composed by three models:

#### 7301YB – M-Y TRIPOD WITH 3-WAY HEAD

The 7301YB has an integrated **3-way aluminium head**. This tripod is designed for providing **smooth movements** when using small video cameras or photographic equipment. The head has **separate pan and tilt locks**, a **quick release plate** and a short ergonomic bar, particularly useful for panning or tracking moving subjects. The tripod legs can be set independently in two different angle positions thanks to a new designed selection system. The product comes complete with a carrying bag. Leg section diameters in mm: 26, 22, 18, 14.
