## FACT SHEET

ReliaVac® 12DC

ReliaVac® 12

ReliaVac® 12HP

ReliaVac® 16HP

### TYPICAL APPLICATIONS INCLUDE

- Hotels and Motels
- Restaurants
- Healthcare
- Contract Cleaning
- Office Buildings and Institutions
- Schools and Universities

### OPTIONAL ACCESSORIES INCLUDE

- Tool kit with wand for 12 inch models
- Dirt cup conversion kit
- Magnetic pick-up bar
- Microstat® paper bags

The Advance ReliaVac® single motor upright vacuums are easy to maneuver, strong on power, and designed for fast, low cost serviceability. Available in a 12 inch and 16 inch cleaning path, the ReliaVac® gives you the power and pickup needed for all applications.

The ReliaVac® 12 and 12DC are budget priced upright vacuums that are great for general cleaning on most any carpet pile. A steel brush roller and 50 foot (15 m) power cord are featured on both models. The ReliaVac® 12DC has a convenient, clear-plastic dirt cup that allows you to see when it's full. Just remove the dirt cup and dump.

The ReliaVac® 12HP and 16HP models are designed for high-performance cleaning power and feature aluminum brush rollers with replaceable nylon brush strips, a headlight, and 50 foot (15 m) power cord.

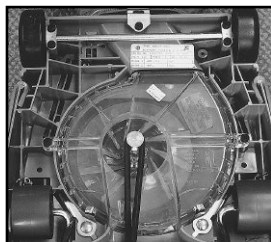

A top-filling shake-out collector bag comes standard on the ReliaVac® 12, 12HP, and 16HP so it will not rob power from the vacuum motor. A zippered bag that holds disposable paper filter bags is available as an option. Also optional are the Microstat® filter bags ReliaVac® 12, 12HP, and 16HP. This is a multi-layered paper bag for critical dust or fine particle filtration. It is 99.4% efficient at filtering 0.3 micron particles.

All models feature large rear wheels for easy maneuverability and a clear fan cover for ease of visibility of any blockage. The brush height can adjust to six settings to work effectively on a variety of carpets.

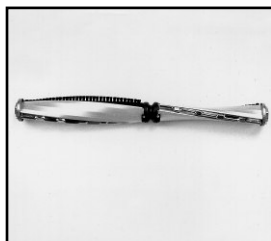

# Advance ReliaVac® 12/12DC/12HP/16HP

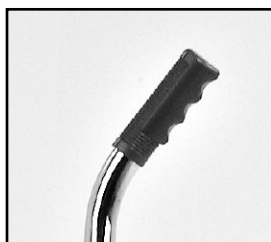

## Single-Motor Upright Vacuums

A clear and easy to clean fan cover shows if there's a clog

High-performance aluminum brush roll has ball bearings and replaceable strips for durability

Ergonomic handle grips make the ReliaVac vacuums easy to use

Cord-wrap hooks store 50 ft (15 m) cord conveniently

Top-fill bag won't rob vacuum power. Uses either re-usable cloth bag or disposable paper (Microstat® filter bag optional)

Vinyl patches on bag protect wear spots

Dial-A-Nap™ knob makes it fast and simple to adjust to any carpet type

Clear, non-marking wrap-around vinyl bumper protects furniture and walls

Chrome-plated handle with textured grip has three positions for operator comfort

Chrome-plated steel on/off switch stands up to years of heavy use

Large outboard wheels roll easily over any carpet

Dual side-suction ports provide efficient edge cleaning

## Defining Cleaning Innovation...

- Our products are designed using innovative technology that increases productivity and drives down the cost to clean.
- You can get expert service and maintenance for your Advance machines from factory-trained personnel around the world. Fast parts delivery, too.
- Maintain peak performance with Nilfisk Genuine OEM Parts.

Nilfisk Genuine OEM Parts

**Comes in 12 or 16 inch (30 or 40 cm) cleaning sizes.**
