Non credit card prepaid orders over \$1000.00 qualify for a 3% discount.

Warranty and return policy:

There is no implied or express warranty on Law Enforcement/Military lights. Should a problem occur with a light not related to duty operations, return for repair or replacement at our discretion. Repair parts are available to replace those that have been damaged.

If there is a defect in a light, a return will be for a refund or an exchange. All LEDs do have unique color tint and other visible artifacts as well as other defects classified as cosmetic. Unless these inhibit the usage of the light they are not subject for return. There can be some tooling marks or blemishes on machined parts or surface finishes. Reflectors will also have small blemishes or artifacts, these will not affect the normal performance of the light. If user expectations are not met as for suitability or requirements, the light can be returned for refund. The return shipping will be at the user's expense and the refund will be made upon receipt of the returned light in resalable condition. These lights are designed to be tools for professionals and not for show case collectors.

How to order:

Indicate item description, quantity and part numbers if required by fax, e-mail or telephone. We accept major credit cards, purchase order requests must be pre-approved. Large quantity orders may require full or partial prepayment.

Please provide complete shipping instructions as to method and destination address.

If items are to be laser engraved, provide correct information. Logos or other non standard identifying information may be subject to additional charges and/or delivery delays. Delivery times are subject to items on hand or availability of parts required to assemble the ordered items. All Peak LED Solutions flashlights are manufactured and assembled in Phoenix, Arizona USA.

Specifications and prices are subject to change without notification.

Shipping and Insurance:

Unless otherwise stated, United States Postal Service Priority Mail or Global Priority Mail is provided with the lights. You can request other methods of shipping like Global Express Mail (EMS) or Fed EX/UPS - the shipping costs will be added to the total. You can also request insurance coverage on the light(s) which can be provided and added as an additional expense. When the light is delivered to the shipper, it becomes yours. We will provide tracking numbers.

Report missing, damaged or miss-shipped items within 48 hours of received shipment.

We take personal pride in manufacturing the best LED flashlights in the world.
